

## Hustle bustle on the floor...

The month of October continued with various events keeping children on their toes.

### Math Week

Counting and sorting as per colours

Hopping on shapes

Measuring Height

Jr. Kg and Sr. Kg children had fun dabbling with various math activities. These activities promoted their thinking skills, enhanced their pre-math concepts and number & number

value. Various puzzles, games, worksheets planned for children enabled them to gain more hands on experience and have fun with numbers!

### Diwali Celebration

Children across the floor had fun painting diyas. They all danced to popular tunes and wished each other happy and safe Diwali.

### Halloween/Magic Day

Dressed as Spooky characters

Playgroup children dressed as Magicians charmed us all with their spells, while children from Nursery to Sr. Kg spent spooky time with their ghoul friends.

Tricked by the trickster

An exciting treat for all was the magic show, which kept everyone spellbound.

### Chefs in the making

Children of Nursery made & enjoyed delicious 'Monaco Toppings' while tiny tots of Playgroup relished mixing & eating cornflakes bhel.

**The more I see, the more I learn...**

In the Bank's locker room

Sr. Kg children visited the Indian Overseas Bank and learnt about various banking terms & procedures. They also saw the ATM and gained knowledge about its use/purpose.

### Spookily Sweet...

Conversation on Halloween Day between teacher and Kimaya Khadilkar of Sr. Kg E...

Teacher: "Why are you hitting the ground with the sword?"

Kimaya: "I'm cutting the road."

Teacher: "Then, what will you walk on?"

Kimaya: "Oh... But I can fly...!"

### Eight fun ways to build Fine Motor Skills

- Erica Patino

Here are some ideas for activities that can help children build the muscles needed for fine motor skills.

1. Stock up on play dough
2. Do some finger painting

3. Squeeze out a sponge
4. Make bathroom murals
5. Colour with broken crayons
6. Make paper dolls
7. Play string games
8. Make macaroni necklaces (Big beads can be used instead of macaroni)

### Health tips

#### Winter care for kids

- Wash their winter wear regularly
- Keep their skin moisturized
- Maintain adequate hydration
- Warm up the fluids and include whole grains, fruits like apple, pomegranates, oranges & leafy vegetables in their diet
- Get the sunlight
