

### From the desk of the Supervisor

Dear Parents,

A warm welcome to all our children and you! Excitement as well as some anticipation filled the air when our little ones stepped into the academy. The young students were eager to know about their new classes and teachers.

Ensuring & improving safety measures for children, we have installed GPS tracking devices in all our buses.

Strong teacher-parent teamwork has always been our USP and we look forward to this partnership for the New Academic Year.

We will keep you posted as usual about the numerous activities and events on the floor.

### Hustle Bustle on the floor...

It was a fun filled summer where children learnt exciting new things.

### Eat What You Want Day

Summer session culminated as children from Nursery to Sr. Kg came dressed in pastels. They

relished eating their favourite snack along with lip smacking ice cream.

### Chefs in making

Our young chefs from Nursery and Sr. Kg quenched their thirst by making lime juice while chefs of Jr. Kg made delicious bhel with raw mango.

### The more I see, the more I know...

### Nature Walk and Shadow Fun

Sr. Kg children had a fun filled time out in the sun as they took a stroll on the school ground, observed and traced their friend's shadow while Jr. Kg children enjoyed making shadow images on classroom wall.

### Skit

Children across the floor watched a skit about summer,

'It's so hot' performed by our E.C.C.Ed trainees.

### Department of E.C.C.Ed.

The E.C.C.Ed. trainees successfully completed their certificate course and proudly displayed their teaching aids, puppets, follow up activities and games.

They attended their Convocation Ceremony and Campus Interviews. We wish them good luck for their future endeavours.

### Holiday Assignment for Parents

(Annai Violet Matric & HR. Secondary School, Chennai)

- Have at least two meals together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- Let them wash their own plates after every meal. Children learn dignity of labour from such activities.
- Allow them to help you in cooking. Let them make

their own vegetable and fruit salad.

- Learn 5 new words in English and list them in a notebook.
- Visit 3 neighbours. Know more about them and build rapport with them.
- Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them.
- Take them to your work spot and let your child understand that you work very hard to support their family.
- Do not miss the local festival and local market.
- Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up.
- Share stories about your childhood and your family history.
