

## Hustle Bustle on the floor...

The month of July swarmed with lot of colourful activities and events.

### World Chocolate Day

Children across all levels celebrated the 'World Chocolate Day' by watching a video on how cocoa is produced and how chocolates are made.

They made and treated themselves with yummy chocolate dipped soup sticks topped with sprinklers.

### Rain Walk

The little ones of Playgroup had fun waddling in the puddles and splashing water on their friends as they strolled on the school grounds wearing colourful raincoats.

### Art Mania - Blossoms

Blossoms at their fullest bloom, adorned the floor, as our little Picassos showcased their artwork of flower making. Parents were overwhelmed to see the colourful display.

### Parent - Teacher Meeting

At our first Parent Teacher Meeting, parents interacted with the class teachers and got feedback of their child's progress in various areas.

**The more I see, the more I know...**

### States of water

The inquisitive Sr. Kg children keenly observed colourful ice marbles melting to water and turning into gas.

They gained better understanding of states of water.

### Beatrix Potter Day

Helen Beatrix Potter was a writer, known for her children's books featuring animals.

Children across the floor celebrated this day by watching a skit 'The Tale of Flopsy Bunnies and Mrs. Tittlemouse' performed by teachers.

**So many locks, so many keys...**

Teacher: "Let's listen carefully and lock this in our brain."

Keyaan Ashar (Sr. Kg C):  
"And now I have a hundred keys with me."

### Why are kids impatient, bored, friendless and entitled?

- Jacqueline

- Kids get everything they want when they want it
- Limited social interaction
- Endless fun
- Technology
- Kids rule the world

You can make a difference in your child's life by

- Setting limits to let kids grow happy and healthy
- Limit technology and re-connect

with your kids emotionally

- Train delayed gratification
- Teach your child to do monotonous work from early years
- Teach social skills
