

Hustle Bustle on the floor...

In the month of August we celebrated important days and festivals with great enthusiasm and vigor.

Nature Walk

Jr. Kg children had fun walking in drizzling rain, playing in water puddles and splashing water on their friends & teachers wearing colourful raincoats.

Independence Day

Our preschoolers celebrated Independence Day by learning about our National Flag and symbols. They came attired in white, sang patriotic songs and made tri colour windsock.

World Photo Day

'World Photo Day' was celebrated by Sr. Kg children who clicked a picture of their favourite toy, their siblings or parents, their pets using their parent's cell phone.

They were delighted to show and speak about the picture they clicked.

Rakshabandhan Celebration

Rakshabandhan was celebrated with great fervor by one and all. The girls tied rakhi to the boys and shared chocolates with the girls.

Medical check up

Dr. Anita Doshi, Dr. Nikunj Shah and Dr. Jayesh Bhanushali with their team

conducted a thorough dental, vision and general checkup, respectively for all our preschoolers.

We would like to extend our gratitude to all the doctors for taking time out of their busy schedules for the checkup of our little ones.

Janmashtami Celebration

The tiny tots of Playgroup celebrated the birth of Lord Krishna, Janmashtami, with great pomp and festivity. Dressed as Radha - Krishna they gave a traditional touch to the celebration. It was fascinating to see them trying to break the 'matki' hung in the class.

Chefs in the making

Tiny tots of Playgroup made healthy fruit custard with the help of their teachers. Nursery children savoured the cheesing bhel while Jr. Kg and Sr. Kg chefs set up the table for yummy Monaco

pizza and cream cracker pizza respectively.

The more I see, the more I know...

Visit to a paper products factory

Children of Sr. Kg visited Jayna Packaging Pvt. Ltd., a paper products manufacturing unit and were truly intrigued by the impressive array of eco-friendly, flexible paper furniture, models and decorative items. We would like to thank our parent Mr. Tejas Kamdar for organizing this visit.

The Hungry Elephant

Children were enthralled to see a puppet show 'The Hungry Elephant' performed by teachers.

Visit to a Vegetable Vendor
Playgroup and Nursery children visited a vegetable vendor to see and gain

knowledge about various vegetables.

They enjoyed buying their favourite vegetable.

Hard Work brings Success

On our way back to school in the bus, after the visit to the paper factory, Sr. Kg D teachers overheard this...
Daksh Sancheti: "I will open my own paper factory."
Vihaan Gouda: "I will also open."
Daksh Sancheti: "We will open it in partnership. But for that we have to study a lot."
Vihaan Gouda: "Yes we will have to study a lot."

Ten books that will have kids laughing out loud!

1. The Book with No Pictures - B.J. Novak
2. Please Open this Book - Adam Lehrhaupt
3. Shh! We have a Plan - Chris Haughton

6. Thomas' Snowsuit - Robert Munsch
7. The Bear who wasn't there - LeUyen Pham
8. Goldilocks and the Three Dinosaurs - Mo Willems
9. This is a Serious Book - Jodie Parachini
10. Let me Finish - Minh Le

Health Tip

Basic guidelines to encourage your kids to eat right and maintain a healthy weight

1. Parents control the supply lines - you decide which foods to buy and when to serve them.
2. From the foods you offer, kids get to choose what they will eat or whether to eat at all - let them choose what to eat and how much of it if they want.
3. Quit the 'clean - plate club' - let kids stop eating when they feel they've had enough. This will help them to listen to their own bodies when they feel full.
4. Start them young - don't force your child,

but offer a variety to develop likes and dislikes.

5. Rewrite the kids' menu - when eating out, let your kids try new foods. They might be willing to try out something different.
6. Drink calories count - soda and other sweetened drinks add extra calories and get in the way of good nutrition.
7. Put sweets in their place - occasional sweets are fine, but don't turn dessert into the main reason for eating dinner.
8. Food is not love - find better ways to say, "I love you". Offer hugs, praise and attention instead of food treats.
9. Kids do as you do - be a role model and eat healthy yourself.
10. Limit TV and computer time - limiting screen time means you will have more time to be active together.
