Garodia's Academy[®]
A Preschool

Garodia Academy

Garodia's Academy - Our preschool geared up for the arrival of their little ones to school after a long time. After working tirelessly to make online school easier for children and parents, teachers were eager to meet children in person. Academy started with their offline sessions from 31st January 2022.

Garodia Education Training - GET

Garodia Education Training (GET) is dedicated to inspire educators with an extensive & progressive curriculum.

GET's newly launched certificate **course in Storytelling** conducted online and in campus was an instant hit amongst the teachers and parents.

We are delighted to announce that **Admissions are Open for Diploma in Foundational Years Teacher Training**. A year's course enables one to become an early years education professional empowered by theoretical and practical knowledge.

P.G. Garodia School (ICSE)

Slogan Writing And Poster Making Competition

New Concepts

Magical Birthday Party

A virtual common party was organized for the kids to introduce the poem Betty at the Party for the prose and forgetful grandpa which talks about few breeds of dogs. A dog talk was organized wherein the class was divided into groups and each group was given a breed of dog to talk about. Students were allowed to share their screens. Students used PPTs, pictures and videos to explain the breed given to them.

Events

Republic Day

The celebration began with a prayer and a patriotic song followed by a video educating the students; the importance of this day. Students of grade 5 prepared a Hindi speech and a dance showcasing their love for the country. There was a presentation by students of class 9 on Startup and Entrepreneurship. The dance and song which had won second and third prize respectively in Namaste India Interschool competition was also showcased.

Success Stories

Startups - Economic Development

Dharmil Sheth

Siddharth Shah

We share this success story with immense pleasure.

PharmEasy is an Indian healthcare app for consumers involved in selling online medicines, diagnostics, telehealth and online doctor consultation services.

We are proud to say that the founders of this company are Garodians.

Achievements

Paper Bags

Relevant to our theme '**Joy of Giving**', we at GICLM believe, 'Every human has the right to adequate nourishment'.

Planting seeds of compassion within our own community and supporting those who are less fortunate is something we encourage throughout the year.

Our staff, teachers and children were excited to participate and they contributed generously. We are proud that our GICLM family truly embodies the spirit of giving.

Food Grain Drive

As a part of our Christmas celebration this year, we conducted a food grain drive at GICLM. This marks our '**Joy of Giving**' week which started from 10th Dec to 21st Dec. It was great to see all the members of Garodia family: staff, students, parents and teachers participated wholeheartedly to make this event successful. The food grains collected were donated to an NGO - **Enrich Lives**.

Fareen Qureshi

Our Social Science teacher, Ms. Fareen Qureshi was conferred the award of best teacher in her field. She also **ranked as India's top 100 teachers on Google**. GICLM family congratulates her on these outstanding achievements and wishes her more such accomplishments in future.

Amit Kawale

We heartily congratulate our Art teacher, Mr. Amit Kawale for receiving the prestigious title of '**Inked Artist First**' for the year 2021 by **INK Studio** which is a thought Leader in Art and Design Education.

The selection was through a rigorous process. The best art works were selected and curated to showcase on a virtual platform. Mr Kawale's profile and work experience was found to be the best in every criterion.

Times Education Icon 2021

In an award function organised by a division of Times Internet Limited, **GICLM was felicitated as Times Education Icon 2021.** The award was based on a survey conducted for the top educational institutes across Mumbai.

Incredibly gratifying to be chosen as
The Times Education Icon in 2021

Secure Your Future Workshop

Secure Your Future: Get a US Degree in India

The workshop was conducted for students of 9th, 10th, 11th and 12th grade. Students get a flexibility to explore a range of majors and minors and even double degrees through GIC.

Through our undergraduate degree, students will be able to start their International degree in Mumbai, India and complete their degree in any of Broward's 70+ partner Universities in the US and across the world.

Courses include options leading to degrees in:

- Economics, Business & Management • Forensics & Criminal Law
- Science, Engineering, Technology & Mathematics
- Computer Science & Information Technology • Humanities & Psychology
- Media & Marketing Management

Education Counselors Conclave

The Education Counselors Conclave was hosted by Garodia International College which was attended by numerous agents and counsellors from schools in Mumbai.

Guest Speakers:

Mr. Ian Davies

Dean - Garodia International College

Ms. Kimberley Dixit

CEO & Co-Founder - The Red Pen

Mr. Ryan Pereira

Regional Officer - USIEF

Ms. Anita Bhatia

Associate Professor - Garodia International College

The conclave gave information on the international relationship between Garodia International College and Broward College USA.

The guest speakers also spoke about the opportunities of Liberal Arts in India and the career options it offers. The students of Garodia International College also shared their career goals and experience of studying at GIC.

Scholarship Test

Scholarship Test was conducted online on 11th December 2021. The students took the test in English and Mathematics.

The students had a chance to get scholarship upto 50% on their tuition fees.

Entrepreneurship Webinar

Entrepreneurship Webinar was conducted by the students of Garodia International College. The guest speakers gave information on the following topics:

- **Ms. Monica Koradia** - USP (Unique Selling Point)
- **Mr. Tanish Chedda** - Startups
- **Dr. Shailendra Singh** - Startup and Entrepreneurship the way ahead

Shark Tank Activity

The students presented their business ideas at the Shark Tank Activity held on 15th December 2021. Presentation included the inception and execution of the business idea. The students did a complete study and explained the cost and the profits they would incur.

All students were graded on their business model and presentation skills.

Upcoming Association

Upcoming association with **Singapore Institute of Management (SIM)**

– To be announced shortly.
